The service charges for standard first and second checked bags (within specified size and weight limits) have been waived based on the fare purchased. Changes to the fare type purchased could result in increased baggage service charges.

These are estimates of additional bag service charges that may apply to your itinerary. Service charges may vary by traveler, depending on status or memberships. First and second bag service charges do not apply to active duty members of the U.S military and their accompanying dependents. For additional information, visit [united.com/baggage](https://www.united.com/baggage).

Carry-on baggage allowed

United accepts the following items, per customer, to be carried on the aircraft at no charge:

- One carry-on bag no more than 45 linear inches or 114 linear centimeters
- One personal item (such as a shoulder or laptop bag)

Due to FAA regulations, operating carriers may have different carry-on requirements. Please check with the operating carrier for more information or go to [united.com/baggage](https://www.united.com/baggage).
